International Scientific and Technical Committee

Dr. James Aldred, AECOM, Australia
Prof. Hakim Abdelgader, Tripoli University, Libya
Prof. Mark Alexander, University of Cape Town, South Africa
Prof. Khalifa Al-Jabri, Sultan Qaboos University, Oman
Dr. Yun Bai, University College London, UK
Prof. Muhammed Basheer, University of Leeds, UK
Mr. David Corbett, Proceq SA, Switzerland
Mr. Richard Day, The Concrete Society, UK
Dr. Ted Donchev, Kingston University, UK
Prof. Pietro Gambarova, Politecnico de Milano, Italy
Dr. Chris Goodier, Loughborough University, UK
Dr. Sokrates Ioannou, Military Technological College, Oman
Prof. Harald Justnes, SINTEF, Norway
Dr. Sivakumar Kandasami, Larsen and Toubro, Mumbai, India
Mr. Willie Kay, WAK Consultants Pte Ltd, Singapore
Dr. M. Iqbal Khan, King Saud University, Kingdom of Saudi Arabia
Dr. Agnieszka Klemm, Glasgow Caledonian University, UK
Dr. Andreas Lampropoulos, University of Brighton, UK
Dr. David Law, RMIT University, Australia
Prof. Jiaping Liu, Southeast University, China
Dr. Bryan Magee, Ulster University, UK
Dr. Surendra Manjrekar, Sunanda Speciality Coatings Pvt., India
Prof. Viktor Mechtcherine, TU Dresden, Germany
Dr. Calin Mircea, Technical University of Cluj-Napoca, Romania
Dr. Abu Mohammad, Pudlo Middle East Building Materials, Dubai
Dr. Alaa Morsy, AASTMT, Egypt
Prof. Dr. Johann Plank, Technische Universität Muchen, Germany
Dr. Ioan Pepenar, ICECON, Romania
Dr. Ulrich Schneck, CITEC GmbH, Germany
Dr. Ioannis Sfikas, Mott McDonald, UK
Mr. Pankaj Shah, Project Management Consultants, India
Prof. Kosmas Sideris, Democritus University of Thrace, Greece
Prof. Surinder Singh, Dr B R Ambedkar NIT, India
Mr. Edwin Trout, The Institute of Concrete Technology, UK
Mr. V.P. Vinayan, Al Ali Engineering Co - Sabea Readymix, Qatar
Mr. Andrew Woodfine, LafargeHolcim, Oman
Prof. Wensheng Zhang, China Building Materials Academy, China

ICT CEMENT AND CONCRETE TECHNOLOGY CONFERENCE
ORGANISING COMMITTEE

1st International Conference on Cement & Concrete Technology
Military Technological College
Sultanate of Oman
20-22 Nov 2017
www.concreteconference.org.uk

Supporting Organisations

American Concrete Institute
The Institute of Materials, Minerals and Mining
University of Leeds
Concrete Society
COG
Oman Society of Engineers
Institute of Concrete Technology
Background

The 1st International Conference on Cement and Concrete Technology 2017 will be concerned with developments in cement and concrete technology and will be of interest to academics and students, manufacturers, suppliers, engineers, consultants.

The aim of the event is to inform on the latest developments.

Papers are invited on the following themes:

- Cement chemistry
- Materials (admixtures, aggregates, fibres, additions – PFA, GGBS, Microsilica)
- Specifications and Standards
- Sustainability (recycling, use of waste materials)
- Durability (chlorides, biogenic corrosion, sulphate)
- High Performance/Ultra High Performance concrete
- Self Compacting Concrete
- Precast Concrete
- Hot weather concreting
- Test and Assessment Methods
- Geopolymers/Low Carbon Cements & Aggregates
- Surface Protection Methods & Materials
- Case Studies

Key Dates

Submission of Abstracts        31 Dec 2016
Notification of Acceptance   20 Jan 2017
Draft Papers                             15 Mar 2017

The Institute of Concrete Technology

Founded in 1972, The Institute of Concrete Technology (ICT)’s mission is to preserve and promote concrete technology as a recognised engineering discipline and consolidate the professional status of practising concrete technologists. It is the concrete sector’s professional development body, operating internationally, with nearly 500 members in more than 30 countries worldwide. It is an awarding body for qualifications in concrete technology and a facilitator of continuing professional development (CPD) and networking opportunities.

Sultanate of Oman

Oman, a nation on the Arabian Peninsula, has terrain encompassing desert, riverbed oases and long coastlines on the Arabian Sea, the Sea of Oman and the Arabian Gulf. Wahiba Sands is a region of dunes inhabited by Bedouins. The port capital, Muscat, is home to the massive, contemporary Sultan Qaboos Grand Mosque, and the old waterfront Muttrah quarter, with its labyrinthine souk and busy fish market.

Military Technological College, Muscat

The creation of the Military Technological College presents an excellent opportunity for young graduates to embark on a first rate career in engineering and to contribute to one of His Majesty’s (Qaboos bin Al Said) Services as expert technologists at this most exciting time, with advanced technological developments of Oman’s aeronautical, naval and ground forces and of the national infrastructure.

Tourism

Oman is known for its popular tourist attractions. Wadi’s (Valleys) deserts, beaches, and mountains are areas which make Oman unique to its neighbouring Gulf Cooperation Council nations (Wadis in particular). Jebel Shams is Oman’s tallest mountain, highest point, and is a popular destination for camping. Most of the major malls are located in Muscat, the capital. The largest mall in the country is the Muscat City Centre which was built by Majid Futtaim, an Emirati businessman. Other popular tourist activities include sand skiing in the desert, mountain-climbing, camel racing, and camping.

Fee (GBP)

*For Students, proof of status will be required

The Conference

The conference runs over 3 days, with a conference dinner included in the conference fee. The conference provides an excellent platform to exchange both scientific and practical information in a pleasant workshop-like atmosphere. Papers are peer-reviewed and the Proceedings will be published.

The conference is co-sponsored by ACI and The Concrete Society (UK) and The Institute of Concrete Technology are already sponsors, so a wide international interest is expected.

The student rate is fully inclusive of meals and proceedings on CD. Full delegate and author rates include an ebook copy of the Proceedings, all lunches and the conference dinner.

Sponsorship

A range of exhibition and sponsorship packages is available. Contact us for details of sponsorship and advertising opportunities.
